

# Lite Collection

Warmth. Richness. Diversity. Strength. These are just a few of the qualities natural wood offers. At Hakwood, we know the rest is up to us.

A global leader in the design and production of premium wood flooring, we're committed to sourcing the best raw materials and giving them the love and care they deserve. The result? Unparalleled hardwood flooring that elevates every interior.

Our Lite Collection features an Eucalyptus wood sublayer, topped with rich, durable European Oak. Available in 8 gorgeous colorways, you can choose the seamless wood flooring that's right for your space and style.

## Grades

STANDARD

Medium knots throughout bring character and depth to your floors. Warm and cozy, our Standard European Oak grade flooring speaks of time honored interiors and effortless style.

LITE COLLECTION

EXCLUSIVE

A long sweeping grain dappled with small, sporadic knots gives our Exclusive planks a subtle texture that works with any design style.
